Parental Information and Consent Document

The following information is designed to inform you of the guidelines concerning our camp. We strive to offer the most productive, safe and exciting week that your child could possibly experience.

Please help us in the following areas...

- 1) **Communication**: Should a concern arise on your part concerning your child, please contact Tyler Pritchett directly at 706-594-3592.
 - Leaders will not be available for text or calls during the week, as they are "Hands On" at all times with several children in their care.
 - Please do not allow your child to bring a cell phone or electronic device, as these will be a major distraction and will be put away until the close of camp.
 - Please be confident that "No news" is "Good news", and should a concern arise on our part, you will be contacted immediately.
- 2) **Discipline**: Please inform your child of the following actions that we will take should the need arise.
 - Defiance, fighting, bullying, back talk and foul language will not be tolerated. Any child participating in one of these behaviors is subject to be sent home for the week.
 - Moderate infractions will result in the child being sent home for a minimum of 1 day. Upon return, he/she, and you the parent will agree that upon one more incident, the child will be sent home for the rest of the week and not allowed to return.
 - Common disciplinary issues will result in loss of privilege, and often this corrects the issue quickly.
- 3) **Visitation**: Visitation is not allowed any time during camp times outside of drop off and pickup. It has been our experience that visits from parents cause the child to become homesick and difficult to calm down once the parent or family member leaves.
 - For the SAFETY and SECURITY of your children, the camp will be closed (gated) to all visitors unless there is

an emergency.

- Should there be an emergency or a special need to visit your child, you can contact Tyler Pritchett at 706-594-3592.

4) **Camper Qualifications:**

- Available to rising 1st grade through completed 5th grade children.

5) **Medical Care:**

- A professional medical person will administer your child's prescriptions daily as prescribed by their doctor.
- Should your child sustain an injury, we will contact you immediately and inform you of the circumstances.

6) **For Your Child's Protection:**

- At no time will your child ever be alone with an adult or teen.
- All visits to restrooms will be done with the camper w/ camper buddy system and leaders will never enter the bathroom alone with any camper.
- All groups will have two leaders at all times and the assistant leader will be with the Assigned leader at all times.
- All leaders are required to have cleared background checks.
